Weekly Reflection.

Corpus Christi – Meal or Sacrifice?

The Eucharist is a central aspect of our faith. The question which is often pondered is should we regard it as a meal or as a sacrifice.

The First Communion classes can understand the historical narrative of the Last Supper. Jesus with his closest friends share a meal where Jesus takes bread, blesses, breaks, and shares it and says, 'do this in memory of me.' The washing of feet thereafter demonstrates the social responsibility that follows from this meal – we must care for each other.

As we get older, we endeavour to understand a deeper significance of the sacrifice of the eucharist. The sacred mystery of the death and resurrection of Jesus follows on from the institution of the new covenant in His blood.

Corpus Christi reminds us that that it is not an either or, meal or sacrifice, but it is a celebration of the grace of God that nourishes us in our daily lives, and which promises us a future salvation.

Fr Shane.

***We remember in our prayers all those preparing, and who sit exams
in the coming weeks.***

Lord, pour out your Spirit of Wisdom on these students: help them to remain calm, to attend carefully to the questions asked, to think clearly, to remember accurately, and to express themselves well. Grant that they may reflect on the best of the work they have done and the best of the teaching they have received. Accept their best efforts in these examinations and in the great test of life on earth. May your love be upon them, O Lord, as they place all their trust in you. We ask this through Christ our Lord. Amen
